Adopt FY 2008 Unified Planning Work Program (UPWP)

Under Federal planning guidelines MPO's are required to submit a work program that highlights transportation planning projects into broadly categorized planning activities and explains the funding for each activity for a fiscal year. This is done through a document called the UPWP. This is the 25th UPWP to be submitted for the Johnson City MTPO. The funding is provided through the State of Tennessee (TDOT) from the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA). FHWA funds are provided at an 80/20 match ratio, with 80% of the total funds provided by Federal funds and 20% provided by Local. The FTA funds are provided at an 80/10/10 ratio with 80% being Federal, 10% being State and 10% being Local. The fiscal year is from October 1, 2007 to September 30, 2008.
